Sir:

In reply to the May 3, 2005, Office Action, reconsideration of the rejection is respectfully requested in light of the following remarks.

Claims 1-14 are pending in this application.

Applicant appreciates the courtesies shown to Applicant's representative by Examiner Abdulsalam in the July 22 personal interview. The reasons presented at the interview as warranting favorable action are incorporated into the remarks below and constitute Applicant's record of interview.

I. The Claims Define Patentable Subject Matter

The Office Action rejects claims 1-14 under 35 U.S.C. §102(b) over JP Pub. No. 07-175429 to Keiji. This rejection is respectfully traversed.

Claims 1-14 are not anticipated by Keiji. As agreed during the personal interview, Keiji does not disclose an electro-optical apparatus that includes "a display controller that outputs a signal to said driver at the timing detected by said timing detection device to always
